

Langton Matravers Parish Council

Grant Award Policy

Introduction

The Council has a small budget for the award of grants. The Council can only award grants using certain legal powers. Where there is no statutory power the Council may use Section 137 of the Local Government Act 1972 to give grants to community organisations. This power may only be used if its use will benefit some or all of its residents or some or all of the area and where the benefit obtained is commensurate with expenditure incurred. This means that grants cannot be given to individuals.

Grant Criteria

Grants will be considered by the full Council. Grant applications must meet the grant criteria listed below.

1. Applications must be made on the attached form.
2. Organisations applying for a grant should be properly constituted, with appointed officers and bank account
3. All applications will be considered on their merits but in general, grants will be awarded for specific projects or events. The Council will not give grants towards running costs or salaries.
4. The purpose for which the grant is made must be in the interest of the Langton Matravers Parishioners.
5. Groups from outside the Parish can apply for a grant but must be able to demonstrate direct benefit to the area and the residents of Langton Matravers.
6. The Council will take into account any previous grant made to an organisation or group when considering a new application.
7. The amount of the grant will be at the discretion of the Council.
8. Retrospective applications will not be funded where the expenditure has been made, the project has been carried out or the event has taken place.

9. Payments for grants will not be paid to individuals.
10. All grant payments will be conditional upon submission of audited accounts, supporting documentation or invoices/receipts detailing costs of expenditure for projects or events for which the funding is being sought where appropriate. These must be addressed to the Parish Clerk and dated after the date of approval. Cheques/payments will not be made to an individual.
11. All grant recipients are required to provide the Council with a brief report, including photographs (if applicable) of how the grant has been utilised, how it has assisted the organisation and what it has achieved. This may appear in the Dubber and/or the Council website.
12. If the grant is put to purposes other than those for which it was awarded without the prior approval of the Council, the recipient organisation will be required to repay the grant to the Council.

Assessment and Funding Conditions

The Council will normally consider grant allocation at the February Council meeting. The deadline for applications is 31st December. To ensure as fair a distribution as possible, the Council will take into account the amount and frequency of previous awards. Each application will be assessed on its own merits and will be considered along with other applications at the meeting. In particular the Council will consider

- How well the grant will provide benefit to Parishioners
- How effectively the group will use the grant.
- Whether the costs are appropriate and realistic.
- What level of contributions has been, or will be, raised in addition to the grant.

Conditions of Funding are as follows:

- Applications will not be considered from any organisation intending to support any political party or to discriminate on any grounds including race, gender, ethnicity, and religion
- Applications will not be considered from commercial and profit making organisations.
- The Council reserves the right to refuse any grant application which they consider to be inappropriate or against the objectives of the Council.
